WORK HISTORY

2023 - now — **CISPA - Helmholtz Center for Information Security**
RESEARCH ASSISTENT · Saarbrücken 📍
As a member of the Saarbrücken Graduate School of Computer Science, I have the opportunity to work as a research assistant at one of the leading research institutions in the field of cybersecurity. Currently, I am focusing on usable security, especially on passwordless authentication and its obstacles.

2022 - 2023 — **G DATA Cyberdefense AG**
BACHELORS DEGREE CANDIDATE · Bochum 📍
My time at G Data has allowed me to learn about anti-malware, incident response and many other facets of a modern cybersecurity company. I finished my time at G Data with a bachelor's thesis on malware classification.

2021 - 2022 — **Chair of Logic**
BACKEND WEB DEVELOPER · Dortmund 📍
During my bachelor's degree, I worked as part of a team as a backend developer on a logic learning platform. This gave me my first experience of large projects and professional software development.
